2. During the call, you can give the representative a location of your choice, and they will come to meet you if you'd rather not come to the store. Whether you come to the store or have us come to you, you still must have your driver's license or state-issued ID, your lien-free title to your vehicle, and your vehicle.
3. When you meet with the loan representative, they will examine your ID and car title and conduct a quick vehicle inspection. They will assess everything and determine if you qualify for approval.
4. If you are approved, you will receive the money the same day or the following business day.
